# Humanitarian aid and relocation centre at the East Railway Station in Warsaw

The Open Dialogue Foundation's aid centre at the East Railway Station in Warsaw has been operating since March 2022. During this time we have helped 21,022 refugees, 4,705 of whom we relocated to Denmark and Norway while 10,350 found a new home in Poland. For those staying in our country, we help them find jobs, schools for their children and handle formal matters.

This year, we are helping an average of 60 people per day, including finding accommodation for 10 refugees daily! On average, 5 evacuation buses from the frontline and occupied territories arrive in Warsaw every week. We are receiving refugees from Kherson, Mariupol, Donetsk, Kharkiv.

Since July, unfortunately, we are not able to provide Ukrainian refugees with food, because the centre where we work has had to give up the possibility of providing food, which means that we have to ask for your support!

In order to provide at least a minimal sense of human dignity to Ukrainian refugees waiting in Warsaw to move to Norway, we need food packages, clothes and toiletries.

On average, we provide long-term accommodation for 300 people per month. In August, the figure was 310 people.

## NEEDS:

- food vouchers (1 voucher for \$ 24 per month, a minimum of 150 vouchers is required, i.e. \$ 3,580 per month);
- funding for the purchase of public transport cards and tickets for travel on public transport in Warsaw;
- suitcases and bags;
- food packages with dry provisions and essential toiletries (toothbrush, toothpaste, toilet paper, nappies);
- vouchers to buy clothes, e.g. for Pepco shops;
- clothes and shoes (trainers, sizes 36-43, t-shirts — different sizes).

**The monthly cost is \$ 7 200**
